

(PLACE YOUR TITLE HERE)

First author¹, Second author², Third author³,

¹ First author's affiliation, ² Second author's affiliation, ³ Third author's affiliation, ...

INTRODUCTION: The required styles illustrated in this Microsoft WORD document, must be used as a template for production of abstracts, by replacing the relevant text with your own. The easiest way to use this abstract form is by cutting and pasting of unformatted text to maintain the documents present format.

MATERIALS & METHODS: All abstracts must be formatted for only A4 paper (210 x 297 mm). The top margin should be set to 15 mm, bottom margin to 25 mm, and left and right margins to 25 mm. The entire document is set to 1 column. The body of the document should be set in 11 pt Times New Roman, justified, with one line-spacing.

Do not use fonts other than Times New Roman (or Times), Symbol, and MTEExtra in the document.

Title should be in bold all-caps in 13 pt Times New Roman. Author should be listed consecutively (as shown above) by initials and last name, written in 12 pt Times New Roman. Affiliation should be indicated with superscripted number (as shown above). Do not append degrees, professional designations, etc., to names. Sample reference entries [1-3] are given in the References section. References should be set as one block, as below, with a maximum of four references used.

RESULTS: The required styles illustrated in this Microsoft WORD document, must be used as a template for production of abstracts, by replacing the relevant text with your own. The easiest way to use this abstract form is by cutting and pasting of unformatted text to maintain the documents present format.

Please submit the abstract as a Word 97/2000/XP document for Windows.

CONCLUSIONS: The required styles illustrated in this Microsoft WORD document, must be used as a template for production of abstracts, by replacing the relevant text with your own. The easiest way to use this abstract form is by cutting and pasting of unformatted text to maintain the documents present format.
