NATIONAL CONFERENCE OF BALNEOLOGY

Dear colleagues, repected partners, honored guests,

Romanian Balneology Association and National Institute of Rehabilitation, Physical Medicine and Balneoclimatology thanks for the response to the invitation to participate to the proceedings of the Tenth Edition of the National Conference of Balneology, with international participation, which takes place between 10 to 12 May, 2012 to SOVATA.

The conference represents a special opportunity to debate issues of interest in health and scientific research of the balneary potential of our country, emphasizing the development perspectives of this area.

The conference theme is: Exploring the clinical and research experience in remodeling methodology of cures in balneary resorts in Romania. Guidelines and protocols for good practice in balneary modern medicine.

The inclusion in the final program of scientific event's, posted on http://bioclima.ro of the visits to Turda Salina and Praid Salina, is an opportunity for participants to discover the great speleotherapeutic potential of our country and a major factor of balneary tourism promoting.

For this event have confirmed the participation of specialists in the field from numerous balneary resorts and we base on the presence of our foreign guests, especially the Mr President of the International Society of Medical Hydrology, Prof. Dr. Zeki Karagulle.

From the European Association of Balneary Resorts - ESPA – participates Mr Vice President Nicu Radulescu and President of Employers' Organization of Balneary Tourism in Romania – OPTBR.

The event will be marked by BALNEARY DECLARATION adoption by signing the Membership Protocol of the Romanian Association of Balneology to International Society of Medical Hydrology and also by signing and taking common protocol for cooperation between the Romanian Balneology Association, Employers' Organization of Balneary Tourism and National Institute Rehabilitation, Physical Medicine and Balneoclimatology.

Publication of abstracts, photo gallery of the event and other details will be posted on the page dedicated to this: http://bioclima.ro/Conf2012.htm.

We thank you and believe that your presence represents the event success.
