

**Greetings to the International Society of Medical Hydrology and Climatology**

We are happy and honored to address warm greetings and best wishes for a long and remarkable, ongoing, activity of the prestigious International Society of Medical Hydrology and Climatology (ISMH).

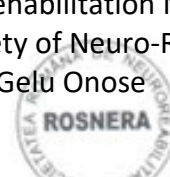

We, the Romanian societies affiliated with the ISMH, are happy and proud to celebrate together with all the related academic community, the impressively long and meritorious scientific and professional centenary path of the ISMH. We are delighted to have brought our contribution and the memory of hosting and co-organizing with its Leadership the 41st ISMH World Congress in Bucharest, Romania, at the Parliament Palace, on 19 – 21 May 2016, is most precious to us.

We wish wholehearted long and growing evolution, and many further significant achievements and international recognition to the ISMH, in its second centenary.

With great esteem and special consideration,

Honorary President of the Romanian Society of Physical and Rehabilitation Medicine & Balneoclimatology (RSPRMB), President of the Romanian Society of Neuro-Rehabilitation President of the Romanian Spinal Cord Society, Prof. Univ. Dr. Gelu Onose
