

PowerPoint slideshow

PowerPoint

Windows narration

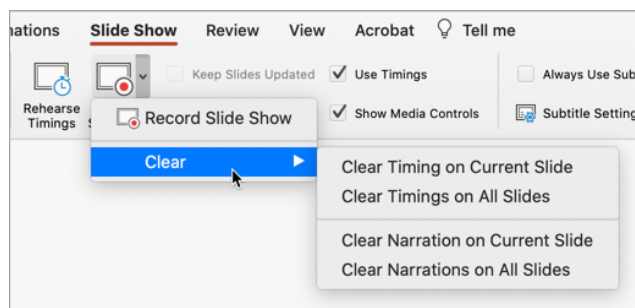

- PowerPoint Slideshow tab, selecteaza "Record slideshow" apoi "Start recording at the beginning"

- Se incepe dupa "Start recording"

Inregistrarea începe direct. You can pause, repeat, or move to the next slide

Not PowerPoint nu face inregistrare audio pe durata schimbării sliduri-lor d
Se face o scurta pauza la schimbarea fiecarui slide

- You can edit one or several slides by selecting it and by clicking on "start recording from current slide"

Save your slideshow

Dupa terminarea inregistrarii, you can "Save as" :

1. Editable "Presentation PowerPoint (*.pptx)" format
